

KOR-IT® Inc.

Engineering, Design & Manufacturing
CORE DRILL MACHINES

DON'T BE TIED TO A POWER SYSTEM - DRILL ANYWHERE

Heavy-Duty Gasoline, Hydraulic, or Air Powered
Complete, Ready-To-Use Core Drill Systems
FAST DRILLING & CONSISTANT QUALITY
SAVES TIME & INCREASES PROFIT POTENTIAL

K-401-G15

K-416-G15

**Perfect for Road and Bridge Construction, Materials Testing,
“Pot-Holing” and Utility Installation**

**Pair these drills with our portable water options for a
complete mobile drill system**

See reverse side for system details

KOR-IT® Inc.

Engineering, Design & Manufacturing

K-401 AND K-416 MOBILE CORE DRILL MACHINES

Reduce job costs

- Minimize time required for each job
- Increase bit life with very stable drilling platform
- Drill faster with gasoline (15 HP), hydraulic (21 to 48 HP, per customer requirement) or pneumatic (90cfm/80psi)

Gain independence in the field

- Stand-alone gasoline system with optional electric start requires no additional power supplies

Obtain years of use and dependable performance with stable drilling platform

- Heavy-duty, dual-precision ground columns
- Tenzalloy precision machined carriage assembly
- Smooth-precision ball feed screw system
- Capable of handling large and small hole drilling

Flexible drilling system

- Carried and/or mounted on a trailer, pickup or van
- Accurate hole drilling positioning and easy alignment of drill platform with 4" Delrin wheels
- Dead weight base, no anchor bolts required
- Up to 16" diameter core bit capacity and 24" column travel

K-4xx Standard Package Includes

- Drill stand
- Power system
- Variable RPM: 300 to 1100 bit RPM
- Water swivel

Model Number	Horse Power	Bit Capacity	Approx. Weight
K-401-G15	15 HP Gasoline Pull Start	8 inch	285 lbs.
K-401-G15E	15 HP Gasoline Electric Start	8 inch	300 lbs.
K-401-H	per requirement	8 inch	285 lbs.
K-401-A	90 CFM @ 80 PSI	8 inch	285 lbs.
K-416-G15	15 HP Gasoline Electric Start	16 inch	315 lbs.
K-416-H	per requirement	16 inch	315 lbs.
K-416-A	90 CFM @ 80 PSI	16 inch	315 lbs.

If you don't see it but need it, we'll design and build it!
